3. HOW TO WEAR

3.1 CHANGING EARGELS

For the optimal audio experience, try the different eargel sizes. The fit should feel tight and secure in your ear.

3.2 CHANGING EARWINGS

For the most secure fit during your workout, try each of the different EarWing styles.

1. Remove the current EarWing and pull the new EarWing onto the earbud, as shown. You may have to stretch the EarWing into position.

2. The top of the EarWing should fit tight into the ridge of the ear.

3.3 USING THE FITCLIP

Attach the Fitclip to the cable, and adjust for optimal fit.

REGULAR FITCLIP STYLE

OPTIMAL FITCLIP STYLE

SIMPLE FITCLIP STYLE

3.4 HEART RATE DETECTION

The heart rate sensor is located in the left earphone.

For accurate monitoring, it is essential the earphones are fitted correctly and that you are wearing the correct eargels and EarWings for your ear. It is highly recommended to try all eargels and EarWings.

To enable/disable the heart rate sensor, press and hold (10 secs) the **Sports** button. The heart rate sensor is enabled by default.

3.5 HOW-TO-WEAR VIDEOS

You can watch how-to-wear videos on jabra.com/sportpulsewireless.

4. HOW TO CHARGE THE EARPHONES

Pull back the EarWing on the right earphone to expose the USB charging port. Plug any USB cable or charger into the USB charging port and connect to power to begin charging.

It takes approx. 2 hours to fully charge the earphones.

5. HOW TO CONNECT

The first time the Jabra Sport Pulse Wireless is turned on it will automatically attempt to connect to any mobile phone that has Bluetooth turned on.

5.1 CONNECT TO A NEW OR SECOND MOBILE PHONE

1. Turn on Bluetooth on your mobile phone.
2. Press and hold the **Multi-function** button on the controller until the indicator light on the right earbud flashes blue. Release the button.
3. Follow the voice-guided connection instructions to connect to your mobile phone.

NOTE: If two mobile phones have been connected to the Jabra Sport Pulse Wireless, you may need to select which phone will be used for calls/music/workout. Simply open the Bluetooth menu on the mobile phone you wish to use and select the Jabra Sport Pulse Wireless from the list of devices.

5.2 CONNECT TO AN NFC DEVICE

1. Turn on NFC on your mobile phone.
2. Ensure the earphones are turned on.
3. Slowly slide the NFC zone of the earphones (back side of the controller) directly against the NFC device until a connection is confirmed.

To disconnect, repeat the process.

6. JABRA SPORT LIFE APP

The Jabra Sport Life app is a free app that enables you to create, track and personalize your workouts, listen to on-the-go workout status updates, monitor your heart rate and much more.

Android download - Google Play
iOS download - App Store

7. HOW TO USE

7.1 CALLS & MUSIC

		FUNCTION	ACTION
		Turn on/off	Press and hold (3 sec) the Multi-function button until the indicator light flashes
		Play/pause music	Tap the Multi-function button
		Answer/end call	Tap the Multi-function button
		Reject call	Double-tap the Multi-function button
		Redial last number	When not on a call, double-tap the Multi-function button
		Adjust volume	Tap the Volume up or Volume down button
		Mute	Tap both the Volume up and Volume down button at the same time
		Skip track	Press and hold (2 secs) the Volume up or Volume down button
		Battery status	Tap the Volume up or Volume down button when not on a call or listening to music

7.2 WORKOUT

When used with the Jabra Sport Life app (or your regular sport app) you can control your workout, monitor your heart rate, and listen to on-the-go updates.

BEFORE WORKOUT

8.2 HOW TO CARE FOR YOUR HEADSET

- Always store the headset with the power off and safely protected.
- Avoid storage at extreme temperatures (above 65°C/149°F or below -10°C/14°F). This can shorten battery life and may affect the headset.
